

Directions for completing a choice on the Math Menu:

1. On a separate piece of paper write the name of your choice at the top.
2. Follow the directions to complete the work. **Be as CREATIVE as possible :)**
3. Choose 3-5 projects on the math menu to complete.

Example of a Geometry Menu Choice:

<b><u>Make A List</u></b>		
<u>Classroom:</u>		
<b>Rectangles:</b> <ul style="list-style-type: none"><li>-window</li><li>-whiteboard</li><li>-rug</li><li>-paper</li><li>-word wall words</li><li>-anchor charts</li></ul>	<b>Squares:</b> <ul style="list-style-type: none"><li>-squares on rug</li><li>-cushions</li><li>-goals on desks</li></ul>	<b>Triangles:</b> <ul style="list-style-type: none"><li>-yarn holding signs on walls</li><li>-Illinois State University flag</li></ul>
